

Products & Capabilities

Products

Inserts

Rotaloc Brand
Hex (*dumbbell style*)
Square (*dumbbell style*)
Round Knurled
NPT & Bulkhead
Multi-Bases & Multi-Strips
Caster Plates
Geoserts
T-Nuts & Nutserts
Post-Applied & Press Fit

PTFE

Tube (*Vent Tube*)
Rod
Sheet
Profile

Fasteners

Machine Screws
Hi-Lo Screws
Nuts
Bolts
Washers
Knobs
Handles

Molding Supplies

Clamps (*Mold & Fixture*)
Scrapers
Steel Wool

Custom Specialties

Brackets
Inserts
Fittings

Capabilities & Processes

CNC

Turning
Laser Cutting
Machining
Bending

Design & Modeling

SolidWorks 2008
Acrobat 3D
Stamping
Forging
Casting
Welding
Cold-Heating
Tapping
Threading
Knurling

Molding

Injection Molds
Injection Molding
Blow Molds
Blow Molding
Extrusion Dies
Extrusion Molding
Rotational Molds
Rotational Molding

Materials

Aluminum
Brass
Steel (*12L14, 1008, 1010*)
Stainless Steel (*18-8, #303, #304, #316*)
PE, HDPE, UHMW, ABS,
Nylon, POM, PTFE...

Industries Served

Plastic molders
Composite molders
Solid Surface
Woodworking
Concrete
Steel Fabrication

Agriculture
Amusement
Communications
Construction
Food & Beverage

Heavy Equipment
Liquid Tanks
Marine
Medical & Safety

Oil Rigs
Recreation
Transportation
