PTFE Vent Tube

PTFE for Rotational Molders

How can we now offer lower-Cost PTFE vent tube?

We have invested in equipment, inventory and have made operational changes, all resulting in efficiencies and cost savings that we are passing on to you!

- 1) We own and operate our PTFE factory extrusion equipment in Colorado.
- 2) We have simultaneously expanded our PTFE manufacturing capacity in Taiwan.
- 3) We have switched to 5-foot lengths which reduced UPS charges for most shipments.
- 4) We have produced a large quantity of 5-foot shipping boxes.
- 5) We have expanded qty. of on-hand finished product to provide same-day shipping.
- 6) We have expanded our facility in Colorado and installed custom racking to accommodate expanded inventories and to improve inventory control.
- 7) Depending on the product size, you will now save about 10% +/- (based off our prior prices). Don't pay up to five-times more through a major competitor!
- 8) ...and we still pay domestic freight for orders over \$250.00!

Quality Improvements

Through new innovative improvements, we have added additional raw material suppliers and have a revitalized focus. All resulting in improved physical properties translating to even more savings for you!

Additional Details

- Our OD typically runs 0.010" +/- 0.005" oversized.
- Sold in 5-foot lengths => Actual Length 59.5" +/-.
- Not all sizes in-stock. All Prices subject to change.
- Common Sizes Listed Above - Other Sizes Available
- We also carry Solid Rod and make Custom Profiles.
- Same Day Shipping on most orders. Not all sizes in-stock.
